

UX Designer + Researcher // hello@marisabivi.ca // marisabivi.ca // Ottawa, ON

With a background in graphic design, I bring dynamic visual direction to UX projects. I believe that collaboration is key to ensuring the best solution that blends technical limitations and the goals of users and stakeholders.

I am a motivated individual with a proven ability to take on new assignments and see them through to completion. Moreover, I am keen to continue developing my skills and knowledge to improve my value in projects and within a team.
